

Amend Title 3, California Code of Regulations, Section 3060.3 to read:

Section 3060.3 Plants That Are Pests

A plant that is a pest does not meet the standards of cleanliness contained in Section 3060.2 and may not be produced, held or offered for sale as nursery stock.

- (a) All plants defined as a noxious weed under Title 3, California Code of Regulations, Section 4500, are a pest plant.

Note: Authority: Sections 407, 5322 and 6901, Food and Agricultural Code
Reference: Sections 403, 407, 5322 and 6901, Food and Agricultural Code
